Oki Parents/Guardians,

Due to the current COVID-19 pandemic and Kainai Board of Education's current re-entry model for 2020/2021 school year, the Innovation in First Nations Education's "Aokakyo'satayii Koosinnooniks" Strengthening Families program will be cancelled until further notice. In consultation with the Kainai Board of Education's Superintendent and administration staff, the main priority is the safety of our students, parents, elders, and staff. We will be monitoring the protocols set forth with Kainai Board of Education Board of Directors, the Superintendent, and Deputy Superintendent as we move forward through this COVID-19 pandemic.

We will be looking at other options to support our students and families throughout the school year regarding the "Aokakyo'satayii Koosinnooniks" Strengthening Families program. If you have any questions or concerns regarding the Strengthening Families program, you can give me a call at the Kainai Board of Education office at 403-737-3966, or email me at geoff.healy@kainaied.ca

Best regards
