

Cameron Shade
Superintendent of Education

August 24, 2020

Oki Parents/Guardians,

Please be advised that in person and out of school learning classes will begin on Tuesday September 8, 2020. The main priority of Kainai Board of Education (KBE) is the safety of our students and staff. A later start date has been chosen to allow our schools to prepare for the upcoming school year and implement COVID-19 protocols.

We are strongly encouraging all parents/guardians register their child prior to Tuesday September 1, 2020. Early registrations will assist KBE in providing the smoothest transition to the new school year for your child. Student registrations are needed to develop cohort lists as well as coordinate bussing for all our students.

We have different options available to parents/guardians to register their child. All KBE schools are open and are taking registrations. School sites will also be able to assist you in registering on-line.

Additionally, all Kainai Board of Education staff will be tested for COVID-19 prior to the start of classes. We ask that, if possible, parents arrange for COVID-19 testing for their child prior to the start of classes.

We look forward to welcoming your child back to our schools either in class learning or out of school learning.

Sincerely,

A handwritten signature in blue ink that reads 'Cam Shade'.
