March 17, 2020

Dear Parents/Guardians,

As per Alberta Chief Medical Officer of Health Deena Hinshaw's recommendations, Alberta Education has now suspended classes at all Alberta schools indefinitely.

Effective immediately, regular classes in all Kainai Board of Education schools are suspended, no buses will be running and all students should stay at home.

Though we do not know how long classes will be suspended, we want to provide opportunities for students to pick up their personal belongings. Your school will be in touch with you on these details in the week ahead.

Also, the Minister of Education has made it clear that this interruption of classes will not impact progression of students to the next grade or graduation of our Grade 12 students.

There are many details we need to work out in the weeks ahead and we will continue to keep parents informed. You can expect an additional update early in the week of March 23rd.

Thank you for your support and patience during these challenging times.

Sincerely,

A handwritten signature in blue ink that reads 'Cam Shade'.
