

March 18, 2020

Oki Parents/Guardians:

On March 16, 2020, Blood Tribe Chief and Council declared a State of Emergency. As a result, only essential services provided by Blood Tribe Administration Departments and Entities will remain open.

Effective March 19 to April 2, 2020, all Kainai Board of Education schools and district office will be closed. This is a difficult decision, however, we must do our part to respond appropriately to this extraordinary and rapidly evolving public health situation.

Only essential employees (finance, cafeteria staff, transportation drivers, operations and maintenance and superintendents) will report to work on a modified working schedule. The remaining Kainai Board of Education staff will be working from home.

Student and staff safety remains the top priority for Kainai Board of Education. We are taking this step as a precautionary measure and with the best interests of our students and staff in mind.

Schools will contact parents/guardians as to when students personal belongings can be picked up.

Kainai Board of Education will take this time to clean, sanitize and disinfect all our schools and district office.

We will continue to keep parents/guardians informed as information is provided to Kainai Board of Education.

Sincerely,

A handwritten signature in blue ink that reads 'Cam Shade'.

Cam Shade
Superintendent of Schools
Kainai Board of Education
